

Borrowing Policy

All persons, regardless of place of residence, may use the library's collections and services free of charge while in the library. Non-fundraising programming events are also free and open to the public.

Children 5 years old or entering kindergarten may have their own library card. A parent or guardian of children under 12 must sign their child's application form, thereby assuming responsibility for materials borrowed on their child's card.

When applying for a library card, patrons must present a form of ID with their current legal address. The library reserves the right to check references before issuing new borrower's cards. On the day of registration, a patron may check out one item on their card. Patrons who do not provide an email address with their application for membership will have their physical card mailed to them at the address they provide. Post Office boxes are accepted, but the library will also require a valid street address to complete the registration process.

All library cards are renewable on an annual basis.

Borrowers must present a valid library card when checking out library materials. There is a \$2 charge for the replacement of a lost library card.

Special borrowing arrangements may be considered upon request.
